March 1, 2021

Dear ERBC Members:

I am proud to report that our Staff, Board and Members successfully met the challenges of 2020. We can now put that tumultuous year behind us and focus on the 2021 summer season. This year the Club is involved in three (3) major construction projects. Prior to opening this season, a new ADA compliant ramp will be installed and both bathrooms will undergo major renovations to replace antiquated plumbing and to make the bathrooms ADA compliant. In addition, the Club's water is supplied by the Westport Harbor Water Association ("WHWA") and WHWA is in the process of purchasing property and drilling a new well. The cost associated with the water project is significant and the Board diligently explored alternative water sources. After a thorough review, the Board has determined that staying a member of WHWA is the most cost-effective option and maintains the Club's strong ties with the harbor community.

To meet the Club's financial obligations in connection with these three (3) projects, a separate letter will be sent to the membership regarding an assessment later this year. However, the membership dues and fees for the 2021 season will remain at the same level as the 2020 season:
